Criminal Misc. Application No. 897/2001

Ved Prakash Gulati

....Applicant.

Vs.

State of U.P. and another

...Respondents.

Hon'ble M.M.Ghildiyal, J.

The applicant has moved this application for quashing of proceedings under section 138 Negotiable Instrument Act pending in the court of A.C.J.M. IIIrd Dehradun. This application was filed in the year 1995. The Court passed order on 14.11.1995 staying the proceedings. After transfer of case from Allahabad High Court to Uttaranchal High Court notice was issued to the applicant. The notice was received back unserved. However there is a report of C.J.M. Dehradun that the applicant did not reside on the address given in the application.

I have perused the complaint filed by the respondent before the A.C.J.M. Dehradun and the order passed by the A.C.J.M. Dehradun summoning the applicant under section 138 of Negotiable Instrument Act. I find no infirmity in the order. The application is dismissed.
